### Respective responsibilities of the body and the auditor

The body is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The body prepares an annual return in accordance with proper practices which:

Our responsibility is to review the annual return in accordance with guidance issued by the Audit Commission (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

### External auditor's report

Except for the matters reported below, on the basis of our review, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the council:

We were required to return the Annual Return to enable the Council to correct an error in Section 1. Box 2 (precept) incorrectly included the Council Tax Support Grant (CTSG) provided by the District Council. The CTSG is now correctly reflected in Box 3 (other receipts).
